WARNING

Children should not use unsupervised

Do not stand on the Monitor Mount

Take care when assembling

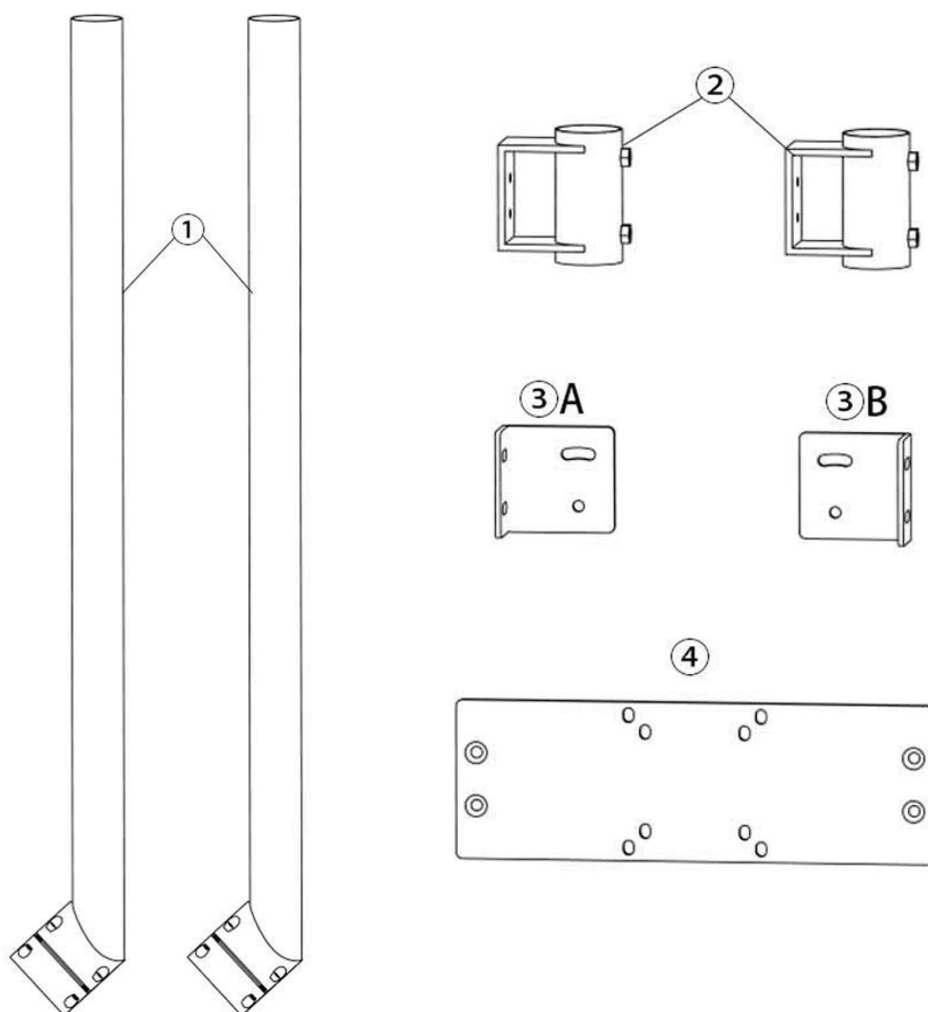

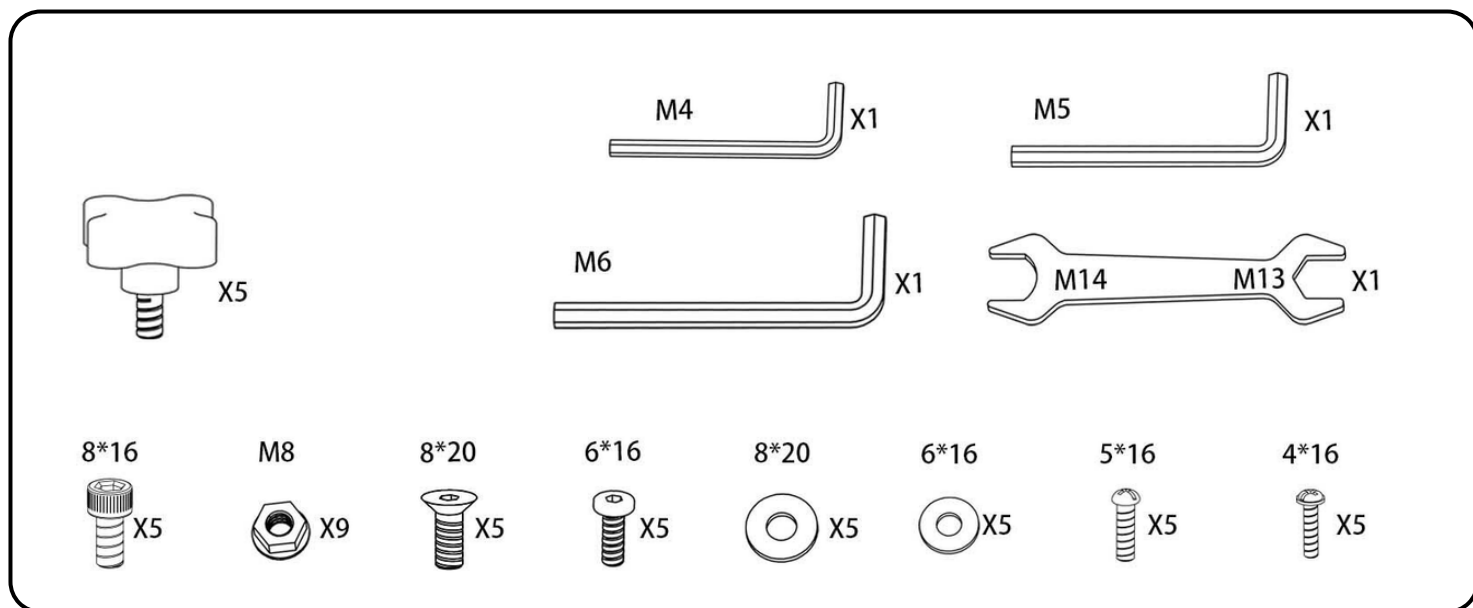

FAILURE TO COMPLY WITH OR OBSERVE ALL ASSEMBLY, SAFETY, AND OPERATION INSTRUCTIONS REGARDING THE USE OF THIS PRODUCT MAY RESULT IN **PROPERTY DAMAGE** OR **BODILY INJURY**.

- This document contains important safety regulations. Any non-conforming use may result in personal injury or mechanical damage.
- Please read this user manual carefully before use as it provides key information about safety, use, and assembly of the **TITAN Monitor Mount**
- Ensure that you have received all parts according to the part checklist prior to installation. If any parts are missing or faulty, contact the GT Omega support team for replacements.
- **Do not** over tighten the screws during installation.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is designed for indoor use only. Using the product outdoors could lead to product failure and personal injury.
- Alteration or modification of any factory components outlined in the checklist will automatically void your warranty.
- Place the **TITAN Monitor Mount** away from corrosive gas, water and dusty environments.

The **TITAN Monitor Mount** is designed for indoor use and dry work areas only. Under no circumstances does the manufacturer accept warranty claims or liability claims for damages caused from improper use or handling.

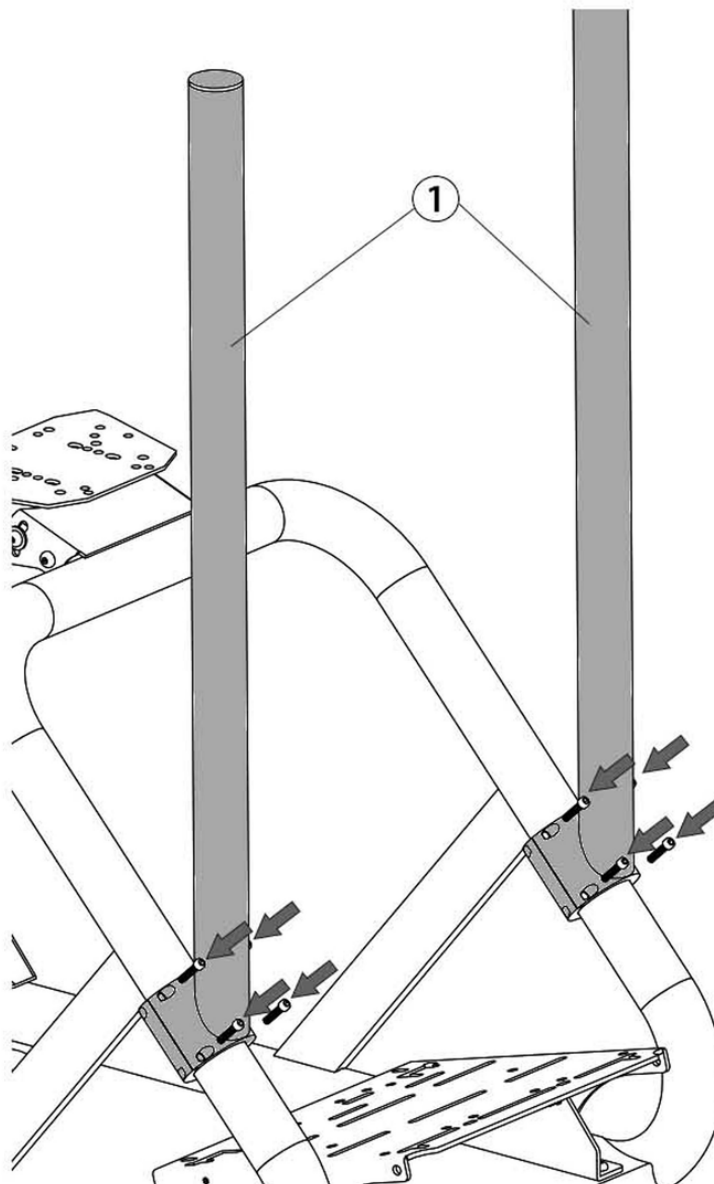

WHAT'S IN THE BOX

Before you begin: Please check that all parts are included.
If any parts are missing, contact our Customer Support team before starting assembly.

ASSEMBLY INSTRUCTIONS

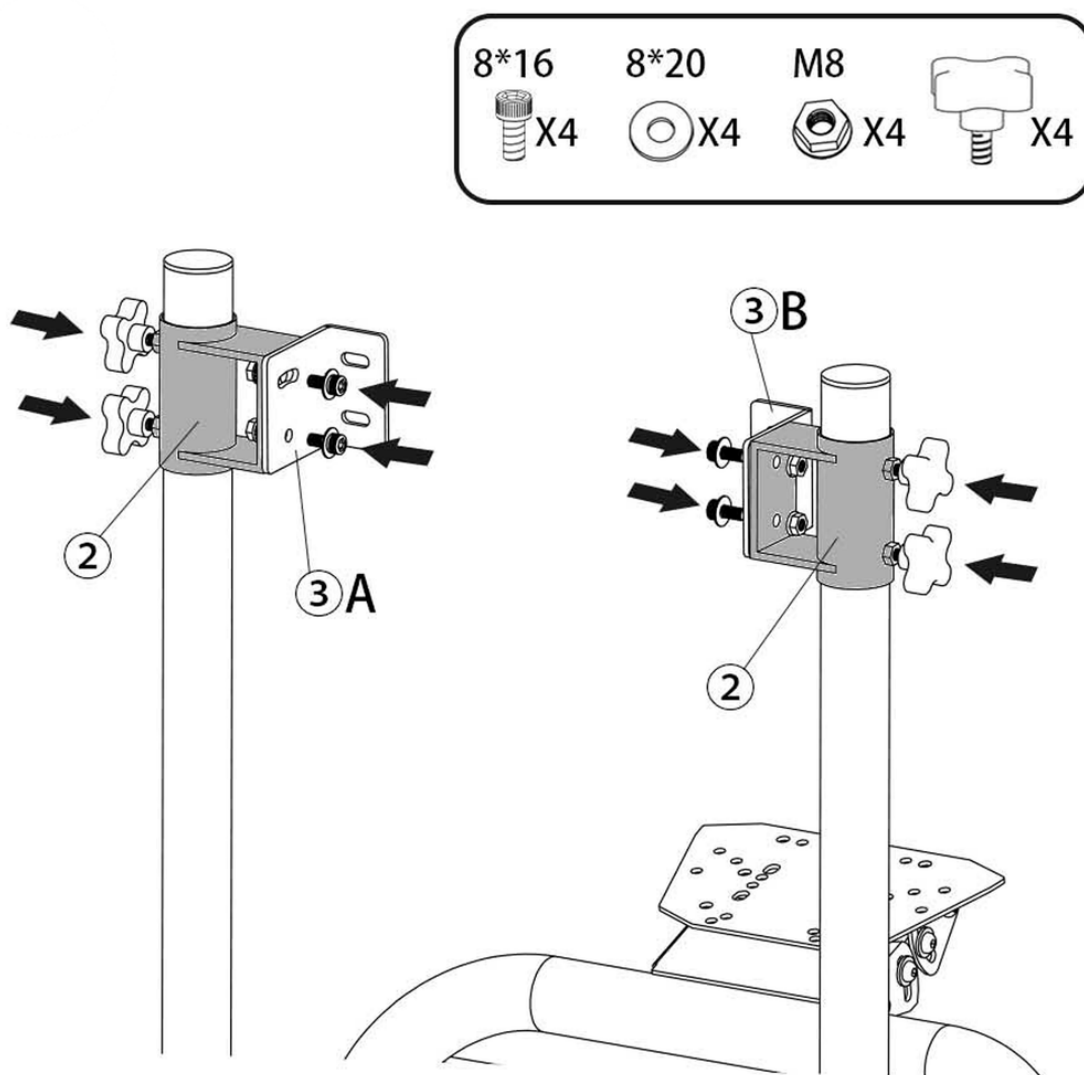

1 Attach the Uprights

Start by bolting the uprights on to the front of your TITAN Cockpit as shown. For best alignment, position these directly below the angled support sections.

ASSEMBLY INSTRUCTIONS

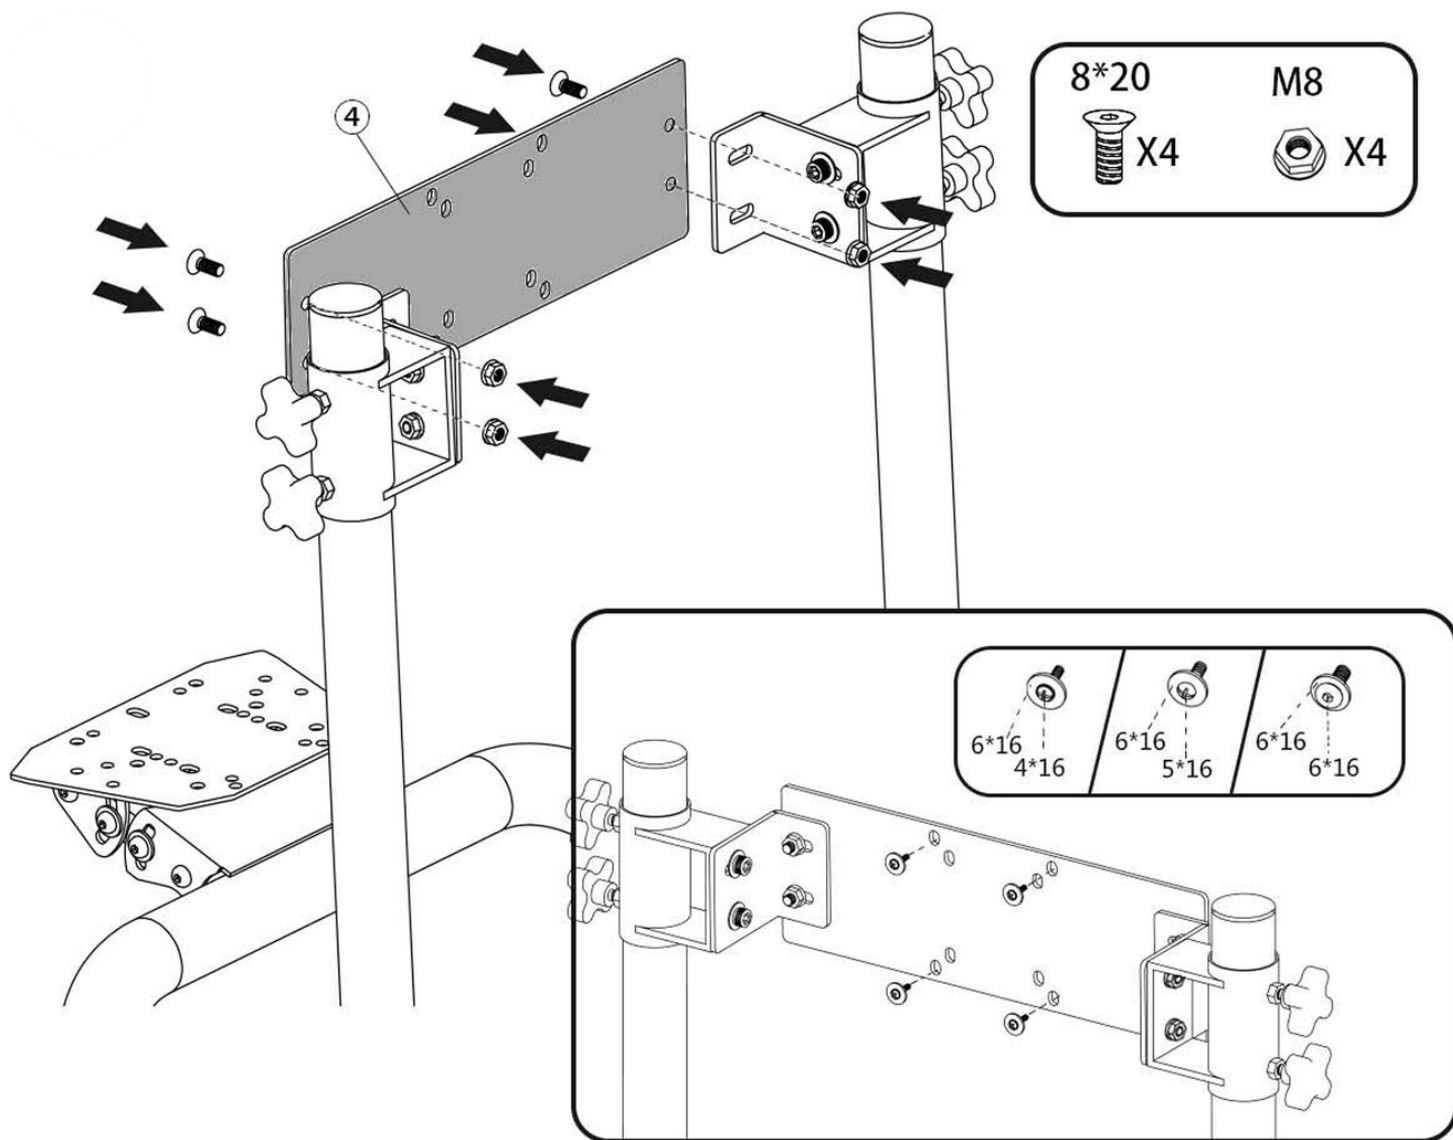

2 Connect Brackets

Connect the brackets to the top of your uprights as shown above.
Leave the handbolts only partially tightened for now so you can
align your mounting plate more easily.

ASSEMBLY INSTRUCTIONS

2 Add the Mounting Plate

Finally, attach your mounting plates as shown above. Once you have ensured the plate is level, **fully secure everything before mounting any screens.**
